Schererville, Indiana - April 15, 2013 -- Financial Momentum™, a leading national provider of real estate investor education and training events, today announced the launch of Financial Momentum CLUB, a local [real estate](#)

[investor association](#) (REIA) serving individuals and businesses involved in real estate investing in Northwest Indiana and nearby Chicago suburbs. The Club's Grand Opening event is at 6:00 P.M. Tuesday, May 28 at Andorra Banquets in Schererville.

Plans to develop the club were fostered by the company's affiliated local investment activity and its experience providing educational programs to other REIAs around the country. The organization will offer business networking, real estate education, discount and rebate programs, as well as other resources to help each member meet more contacts, find more deals, and make more money. "Too many real estate investors go it alone, unaware of how much faster and easier they can grow their net worth by growing their network," says Andrew Cordle, a Managing Director of Financial Momentum and FM CLUB's President. "This is a key growth initiative for Financial Momentum in 2013," Cordle added. "Operating a local club is a natural extension of our expertise as real estate investors and educators."

Financial Momentum CLUB, a chapter of National REIA, expects to attract investors, landlords, real estate agents, lenders, contractors and related professionals from Tinley Park to Valparaiso. All those interested are invited to FM CLUB's Grand Opening Founder's Night May 28. "We're off to a terrific start with enthusiastic sponsorship, high member interest, and a highly educational agenda. We're already anticipating 100 people at our first event."

Sponsors such as The Home Depot, Personal Real Estate Investor Magazine, Realty411, National Real Estate Insurance Group, and many local businesses have enabled the group to build a website, launch a membership drive, and fund its Grand Opening kickoff event at Andorra Banquets in Schererville on Tuesday, May 28 from 6:00 P.M. – 9:00 PM. Although the first meeting is FREE to all prospective members, advance registration is recommended and will enter attendees in a drawing for over \$1,000 in door prizes.
