

# TrackingTheWorld Now Offers Revenue Sharing for U.S. Distributors

*Profit sharing allows company distributors to earn from GPS tracking software subscriptions.*

BURLINGAME, CA, USA, October 15, 2013

/EINPresswire.com/ -- TrackingTheWorld, a world leader in the development of [GPS tracking devices](#) and software, recently announced the continued availability of profit sharing opportunities for the firm's U.S. based distributors.

“Our revenue sharing option gives our distributors the ability to generate monthly recurring income based on the number of [GPS tracking software](#) subscriptions they sell to their customers,” said Gilbert Walz, CEO of TrackingTheWorld.

TrackingTheWorld's distributor program allows dealers to purchase [GPS tracking systems](#) at discounted prices. “Our distributors receive the lowest prices available, and choose their own resale prices,” said Walz. No cash investment is required for the distributor program, and drop shipping options are available. TrackingTheWorld is accepting new distributor applications online at <http://www.trackingtheworld.com/distributorApplicationForm/index.php>.

TrackingTheWorld also offers white label GPS tracking software for entrepreneurs interested in starting their own GPS tracking businesses. The software licensing option gives buyers access to a private software server which enables them to register their own customers and set monthly subscription rates under their own business name.

“The GPS tracking industry continues to grow rapidly, and businesses are using it more every day. Our software reseller option offers an excellent opportunity for entering that market,” said Walz.

Based in Burlingame, California, TrackingTheWorld has exclusively specialized in GPS tracking devices and software for more than ten years. The firm offers a wide selection of GPS tracking systems for business and personal use, distributorship opportunities, and private label GPS tracking websites.
