

Litigation Edge Expands eDiscovery Footprint Across Asia

Asia's Premier Litigation Support, Paper & Electronic Discovery Specialists adds Offices in Shanghai, Kuala Lumpur & Hong Kong

SINGAPORE, SG, January 20, 2014 /EINPresswire.com/ -- Litigation Edge Pte Ltd (www.litiedge.com), Asia's Premier [Litigation Support](#), Paper & [Electronic Discovery](#) Specialists, today announced a regional expansion from their headquarters in Singapore with the addition of offices in Shanghai, Hong Kong and Kuala Lumpur to provide increased full service coverage for international law firms and litigation support service providers.

Litigation Edge Director Serena Lim noted, "This year, we are expanding our services further afield, to North American and European service providers and law firms who are involved in cross-border disputes in Asia. Our unique offerings are our comprehensive services for paper and electronic data processing, an Asian team who has extensive years

of experience working on onsite projects in Singapore, Khazakstan, China, Malaysia, Indonesia, Thailand, Vietnam, Japan, India and, Hong Kong for both Asian and non-Asian clients."

With over 40 years combined experience in litigation support, [eDiscovery](#) and legal practice, Litigation Edge provides a unique one-stop solution for international law firms and litigation support service providers engaged in dispute matters in Asia.

"It's a really exciting time to be a litigation support specialist in Asia. As pioneers, we have first mover advantage, but the first challenge was really to identify what lawyers in Asia really needed," said Junbin Chen, director of Litigation Edge.

The Litigation Edge team is highly valued for providing services in the following scenarios:

1. Well versed in Asian documents, culture and language with an in-depth appreciation of document review and discovery requirements;
2. Paper or electronic documents to be collected and processed for review in Asia;
3. Asian litigation support bureau to provide onsite project management of projects involving the scanning and coding of voluminous paper documents
4. Evidence cannot leave and/or has to be hosted in an Asian jurisdiction, for reasons of privacy, industry regulations or the confidential nature of the content.

Serena Lim, director of Litigation Edge Pte Ltd, will be attending LegalTech (www.legaltechshow.com), the largest and most important legal technology event of the year, in New York from February 4-6, 2014. Those interested in discussing Asian eDiscovery and Litigation Support services should contact Ms. Lim directly to schedule a meeting. She can be reached at slim@litiedge.com.
