

Luxury House Builder In Perth, Summit New Homes, Unveils The Woodlands Display Home

Summit New Homes is now offering tours of their Woodlands luxury house in Perth.

PERTH, WA, AUSTRALIA, February 4, 2014 /EINPresswire.com/ -- [Summit New Homes](http://www.summitnewhomes.com.au/our_homes/woodlands-display-home), a leader in innovative new home designs in Perth, has added to their already expansive selection of [house and land packages](#) and display homes in Perth with their newest creation, The Woodlands (http://www.summitnewhomes.com.au/our_homes/woodlands-display-home).

The Woodlands joins the ever-growing list of home designs in Perth offered by the company.

The spacious four bedroom, two bathroom property features a two car garage, specially designed home theatre, open concept living, dining and game room areas, and huge outdoor alfresco.

"The Woodlands is a large home that manages to feel cosy and inviting. The floor plan was designed to provide everyone in the family with their own space, but also offer areas of the home where they can come together and spend quality time. The open dining, living, and alfresco areas are perfect for entertaining, while the private study off of the master suite and activity room in the kid's area offer a quiet retreat when desired," said Sandra Muller of Summit New Homes (<http://www.summitnewhomes.com.au/>).

From its artfully designed exterior to the top-quality materials found throughout, this large luxury house in Perth exudes sophistication. Featuring a long galley style kitchen with modern undermount sinks, stone benchtops, European

appliances, and a roomy 4-door pantry, The Woodlands is equipped to prepare meals of any size.

If the interior spaces should happen to overflow with guests, large stacker doors link the open living areas to an expansive outdoor alfresco.

"Having access to the beautiful countryside is part of what makes living in Australia so wonderful, and The Woodlands was designed to blur the line between indoor and outdoor living spaces. The alfresco is a feature that works perfectly in this type of home and adds a dynamic feature homeowners are sure to love," Muller said.

The Woodlands is available for viewing Monday & Wednesday: 2pm-5pm; Saturday, Sunday & Public Holidays: 1pm-5pm. The display home is located at 458 Lyon Road in Wandi, WA, 6167. For more
