

New Virtual ITIL® Intermediate Courses Now Available from IT Governance

IT Governance has launched ten new instructor-led virtual courses for the ITIL® intermediate level , in partnership with Omnikron.

BOISE, IDAHO, UNITES STATES, April 7, 2014 /EINPresswire.com/ -- IT Governance, the global provider of a comprehensive range of ITIL products and services, has launched ten new instructor-led virtual courses for the [ITIL® intermediate level](#) , in partnership with Omnikron.

Based in the US, Omnikron is an established training provider which has trained over 10,000 professionals globally, working with clients such as Mariott, Visa, Disney and Sony. Its online training solution is flexible and cost-effective, making it a popular choice for delegates all over the world who are looking to reach ITIL Expert level.

The [virtual ITIL courses](#) provide a classroom-based training experience for delegates tuning in from their home or office. With online interactive sessions and recordings of the class to use at the customer's convenience, these courses cater for every aspect of ITIL intermediate learning.

With courses running throughout the year and exam and reading materials included in the price, these courses are extremely flexible and cost-effective. Popular courses include [Managing across the Lifecycle](#) and Continual Service Improvement.
