

# Breed of innovative solutions at Forex market: unique tournaments for traders of any broker from ForexStars

*More than 105000 traders from all over the world have already joined ForexStars and took part in unique tournaments by trading on their own broker's MT account.*

ST. PETERSBURG, RUSSIA, April 7, 2014 /EINPresswire.com/ -- Forex tournaments are widely popular both among new and professional traders. Brokers offer multiple types of Forex tournaments according to: structure, duration, prize fund, and election of winners. But there is one common thing: to participate in the tournament one needs to have trading account of this very broker, who offers you the tournament.

ForexStars is the first unique and independent project of Forex tournaments, which is not affiliated by any broker. Owing to unique IT solutions traders of any broker can participate in Forex tournaments competing with each other at one list.

According to the statistics, more than 105 000 traders from all over the world have already joined ForexStars and took part in free and paid tournaments.

Aleksey Kutsenko: founder of the ForexStars

Unique character of the project consists in the fact that all the clients of ForexStars participate in tournaments, trading at their brokers' MetaTrader accounts. From 700 to 1000 people take part in [free and regular tournaments](#) every day. Traders of more than 20 brokers already evaluated convenience and unique character of our tournaments, the prize fund of which composes more than \$25 000 per month.

## Advantages of ForexStars

- First independent service of FOREX – tournaments
- Possibility to participate with an account of any broker
- Possibility of tournament [participation at demo-accounts](#) with real prize
- Possibility of daily tournament participation
- Monthly prize fund composes more than \$25 000
- B2B affiliate program for brokers

- Possibility for brokers of carrying branded tournaments

According to the words of the clients, battles in individual ForexStars tournaments give a good opportunity for hand to hand competing with any broker's trader.

Winners of Sit&Go Battle:

Nick Miller – Sweden

These tournaments are really unique. I battled with trader from Russia. Hand-to-hand. I am very satisfied with the tournament and result of course. I will continue to participate.

Muneca – Argentina

I played with contestant from Ukraine. The tournament gave me a thrill. Thank you for emotions and the prize.

Farhan - Pakistan

I am very satisfied. It is good. No need to change other thing. I am very satisfied. Thank you for this.

Nonetheless, the project is oriented not only to attraction of direct clients. ForexStars rapidly expands [partnership relation with brokers](#) offering chance of B2B cooperation.

Nikita Trofimov: Chief Technical Officer

We offer any broker to become our partner. That will give the clients of the broker additional service in the form of tournaments, and the brokers get regular revenue from each client. ForexStars is the first company which pays to the broker. The revenue is reckoned as follows:

- Your traders – tournament participant makes a buy-in for the prize fund of the tournament and 10% of this buy-in in addition. ForexStars takes 10% as a commission.
- ForexStars transfers 50% of cumulative remuneration of all your clients' buy-ins.

How to become a broker-partner

In order your traders could get direct access to the tournaments, you need to:

- Give access to telnet api for our server 85.17.210.222
- Distribute information about new tournaments service at your site for your clients
- Realize listserv among your clients
- Grant company details for revenue transfer

ForexStars managers are open for dialogue. You may contact us for any cooperation and tournament questions anytime.
