Top Shelf Brands Holdings, Inc.(a Nevada Corporation) (OTCBB:TEMN) a progressive developer and marketer of fine spirits, is happy to announce the formation of an advisory board. The primary role of the advisory board will be to advise management on issues related to execution of the business plan, and to help bring new customers to the Company. The Board of Directors will be expanded once the Company receives its new stock symbol and its SEC filings are all updated.

We are proud to announce that Mr. Scott Vanis, Chairman of Minerco, Inc. (OTCQB:MINE) , the holding company for Level 5 Beverage Company, has

agreed to be the initial member of our Advisory Board. Mr. Vanis has extensive experience in the

microcap and small cap markets, having successfully guiding the successful launch and expansion of Level 5's flagship brands (see www.level5beverage.com), which along with the much anticipated launch of the Company's VitaminFizz® Brand (see www.vitamin-fizz.com), has lifted the market capitalization of MINE stock by tenfold this calendar year. Mr. Vanis will also be able to call upon the expertise of his advisors and partners which include one of the largest and well known global beverage consultants, Power Brands Consulting, LLC.

Mr. Pierce added, "We are extremely excited to announce that Mr. Vanis will be joining our newly formed Advisory Board. Mr. Vanis has extensive experience in the microcap and beverage space. We both hail from Houston, Texas and have met and see many synergies. As we have previously announced and of particular interest to Mr. Vanis, is our upcoming launch of our "herbal infused" Tequila. Level 5 Beverage has a line called, The Herbal Collection™ ("THC"), so I will be looking to Scott for his advice on the our initial launch."

Mr. Vanis went on to say, "I am honored and excited to be on the Top Shelf team. I admire Mr. Pierce's vision and enthusiasm, and I look forward to continuing the company's impressive growth and making Top Shelf's vision a reality! As a fellow small cap executive, I am very familiar with the challenges (and rewards) associated with running a public beverage company and hope to help streamline Top Shelf's expansion. With our similar visions, yet differing expertise and contacts, I am confident that, together, we will achieve un-paralleled success."
