

Northstar Chrysler Jeep Dodge Now Offering The New Jeep Wrangler In Kippa-Ring

Thanks to Northstar Chrysler Jeep Dodge, drivers can now see the new Jeep Wrangler and set up a test drive for the 2014 Wrangler in Brisbane.

REDCLIFFE, QLD, USA, July 11, 2014 /EINPresswire.com/ -- The 2014 Jeep Wrangler is a vehicle that is known for its capability. Iconic style, on- and off-road capability, and impressive versatility make the new Wrangler (<http://www.northstarchrysler.com.au/new-vehicles/new-jeep-vehicles/2013-wrangler>) an attractive choice for drivers who want a vehicle that works hard and plays even harder. Visitors to [Northstar Chrysler Jeep Dodge](#) can now see the 2014 Wrangler in Brisbane.

"The 2014 Wrangler is the most capable vehicle on the market for drivers who want a vehicle that goes hard, goes far, and is a whole lot of fun. We are excited to now be offering the Wrangler and the Wrangler Unlimited at Northstar," said [Bob Aldons](#) of Northstar Chrysler Jeep Dodge (<http://www.northstarchrysler.com.au>).

There are three different models of the Jeep Wrangler and Wrangler Unlimited. First, the Wrangler and Wrangler Unlimited Sport is the perfect combination of performance and style. This versatile model offers unique features such as 17-inch aluminium painted sparkle silver wheels as well as the classic Sunrider easy folding soft top. Second, the Wrangler and Wrangler Unlimited Overland is ideal for those who want to maximise their off-roading experience. It boasts features such as a four-wheel drive system and a reverse camera. Lastly, the Wrangler and Wrangler Unlimited Rubicon is the most fully loaded of the three. Not only does it offer the iconic fibreglass hardtop, but it is equipped with a world class Rock-Trac NV241 or manual, part-time, shift-on-the-fly transfer case.

The 2014 Wrangler allows drivers to choose from a wide range of wheels, maximising both style and performance. Depending on the model, drivers will be outfitted with 17-inch aluminium Sport wheels, 17-inch aluminium Rubicon wheels or the rugged 18-inch aluminium Overland wheels. These wheels are ideal for off-roading with their ability to reduce unsprung weight, and in turn enhance steering input.

Northstar Chrysler Jeep Dodge has the 2014 models in stock and available for test drive. Interested drivers can contact the dealer to [set up a test drive](#) of the Jeep Wrangler in Kippa-Ring. The dealership is located at 320 Anzac Avenue, Kippa-Ring 4021, Redcliffe, QLD.

About Northstar Chrysler Jeep Dodge Redcliffe: Northstar Motor Group is Southeast Queensland's largest Chrysler, Jeep, and Dodge dealer. Serving the Brisbane auto market since 1968, the family-run company has grown to include five locations.
