

Carey Conley, a Denver Female Entrepreneur, Teaches People to Create a Life Inspired by Vision

The 2015 Success Unleashed Vision Building Summit Inspired Over 170 Attendees

DENVER, CO, USA, January 23, 2015 /EINPresswire.com/ -- [Carey Conley](#), co-creator of the Infin8Nation community, is a determined female entrepreneur who believes in the power of vision. Vision is what inspired Conley to develop Success Unleashed, a Vision Building Summit that took place January 16 and 17. Over two days, tears were shed, people were lifted up, and visions were set in motion.

Just a few of the topics covered at Success Unleashed included: conquering fear and negative self-talk, discovering your passions and strengths, removing distractions, making bold leaps in life and in business, letting go of negative and toxic relationships, and designing your ideal life.

Conley has been writing vision statements since 1988. She helps people realize where they want to be in the days, months, and years to come. Then, she

gives people the tools they need to help their vision come to fruition. She brings more than 30 years of business experience to her clients.

Katie Meyers, CEO of Pure Communication, says "I began working with Conley on May 1, 2013. With her help, my vision became clear. I achieved two of three business goals within six months and increased my revenue goal because it was not high enough."

"Your vision has to override anything. If it is not written down, it is not a vision. It's only a hope, a wish, a dream," says Conley.

"Life has setbacks and you may need to rebuild, but if your vision is strong, you will find success," says Conley.
