

# The Minotaur is the Hero in A-Maze-In, a New Take on the Maze Game

*Help Mino a teenage Minotaur with bad manners rescue his Princess?, fight through 110+ mazes, stun your enemies by breaking wind & destroy them with fire belch*

CALGARY, ALBERTA, CANADA, February 6, 2015 /EINPresswire.com/ -- MAROBI Entertainment Inc. is thrilled to announce its newest app, A-Maze-In for iOS devices. Embark on a quest as Mino, a teen [Minotaur](#) who attempts to rescue his true love, Mina, from her captor - facing Cyclops, Hydras, Harpies, and Centaurs through 5 unique islands and more than 110 mazes. Help Mino defeat five challenging bosses such as the terrifying Medusa, Cerberus the Hellhound, and even the Kraken itself!

If players want to stay in one piece, they can make use of Mino's many Minotaur abilities - including special skills such as "Fire Belch" (a deadly burp that turns enemies into ash) and "Force of Nature" (fart to stun enemies). Another strategy is to avoid the game's deadly traps - such as floor spikes, giant boulders, crumbling floors, and flame throwers. Navigate the maze and locate the key (or keys!) that unlock the exit to proceed on your journey.

"We have the deepest appreciation for classic arcade games like Pac-Man and Gauntlet," says Robert Pitman, executive producer at Marobi Entertainment. "A-Maze-In was inspired by the classics - but it charts its own path with a charming protagonist, lengthy campaign, and

monsters taken straight out of Greek [mythology](#). Ever wanted to play as a wind breaking, fire belching Minotaur? Well, now is your chance!"
