LOS ANGELES, CALIFORNIA, USA, February 10, 2015 /EINPresswire.com/ -- 55Printing.com is in the business of advertising-medium printing and has well over 12 years of experience. Design and printing capabilities play an integral role in the successful outcome of a quality product. [Cheap letterhead printing](#) was an initiative established by 55Printing.com to enable all businesses, big or small, to brand themselves and use the form of communications for marketing gain, if not just for the branding aspect of it.

Letterheads have long been used by companies to market slogans, company names or details and even products that they are bringing to market. Cheap [letterhead printing](#) via 55Printing.com seems to be a reasonable alternative to the very costly printing agencies that are touted throughout the papers and charge way too much.

During a recent interview, the owner of 55Printing.com was quoted as saying, "If you have a nice or interesting looking letterhead, people remember you. Point blank. That's effective advertising and it is nearly free! Also, it could mean the difference between your letter being tossed in the bin or being placed on the boss's desk!" Letterheads create a first impression and are often the gateway to new business relationships.

55Printing.com received a glowing review of their cheap letterhead printing, with Jake Riley saying, "Commercial letterheads do a great job. This is why I chose them for getting the job done. I'm thankful to the team of designers who helped perfect the style of the [letterhead print](#). They have keen knowledge in the job and give you good quotes. All the letterheads are great and impressive, to say the least."

55Printing.com reviews are growing and by all accounts, they seem to be an extremely reputable printing company that specializes in cheap letterhead printing, cheap business card printing and more.

Why has the Letterhead printing product to be expensive? even more when you can state-of-the-art printing quality for very low price at 55printing.com
