

Web Market Florida, A Local SEO Company, Offers Businesses 90-Day Free SEO Service Trial

The Orlando SEO experts are targeting companies with proven revenues of \$750,000 per year to boost their online presence and search engine visibility.

ORLANDO, FL, USA, April 7, 2015 /EINPresswire.com/ -- Web Market [Florida is a local SEO company](#) that is currently offering a 90-day free trial of their nationwide SEO services. The free trial is available to businesses that generate \$750,000 or more in annual revenues. In addition to the promotion, the company also announced that they are opening a video production company to meet their client's needs further.

Cesar Augusto Gonzalez, the President of Web Market Florida, explained the reasoning behind the promotion as a way to help companies learn more about internet marketing and see for themselves just how effective it can be.

"We've found that many businesses don't understand or aren't fully taking advantage of online marketing. We are offering this trial as a way to show them how an effective online marketing campaign can help their business. We also want to demonstrate how the digital world operates. We feel like the best way to accomplish both of these objectives is through a trial service," explained Cesar Augusto Gonzalez, President, Web Market Florida (www.webmarketflorida.com).

Web Market Florida is offering two different packages, based on the annual revenues of the company in question.

Package 1 is available to companies above \$750,000 annual turnover. Included in the package is:

- free SEO for 3 months
- 3 keywords within first five pages of Google within 3 months
- 3 articles of 300 words to be placed in the site
- Monthly audit
- Traffic report once month
- On page, off page and local SEO

Package 2 is available to companies above \$350,000 annual turnover and includes:

- Free SEO for 2 months
- 2 keywords in first 10 pages within 2 months
- 2 articles of 300 words each
- Monthly audit
- Traffic report once a month
- On page, off page and local SEO

Web Market Florida is an [SEO web design company](#) located in Orlando that offers a total digital solution to small and mid-sized companies nationwide. Company services include web design and development, search engine optimization (SEO), marketing campaigns, and branding. Additional services include web graphics, content writing, social media marketing, and the recently added video production service.

"If your business has a website, you need to be doing SEO. It's not as simple as sprinkling a few keywords here and there. There are proven methods to effectively using SEO, and that's what we want to share with these businesses. With the right knowledge and application, SEO can help a business move up in the search engine rankings, convert more customers, and generate greater profits," said Gonzalez.

Web Market Florida uses a variety of techniques beyond SEO to help their clients attract and retain customers. Techniques like Pay Per Click Advertisement (PPC), Email Campaigns, Mail Campaigns, Video Marketing, and Social Media Marketing (SMM) are just some of the ways the company helps businesses enhance their marketing efforts in a cost-effective manner.
