I'm flattered and honored to have received this award," said Jeanette Armbrust, Founder & CEO of Skyline Exhibits of Central Ohio (www.skyline.com/exhibits-columbus-dayton).

Factors that nominees were judged on included: demonstrated success through increased sales, business methods, and employment growth.

"We're very happy for Jeanette and very proud of her contribution to the Skyline family. Skyline is routinely recognized for the quality of our products and services, but this award just goes to show that behind those products and services are phenomenal people that make everything we do possible," explained Bill Dierberger, President of Skyline Exhibits (www.skyline.com).
