STUDIO CITY, CALIFORNIA, UNITED STATES, April 15, 2016

/EINPresswire.com/ -- In a late 2015 interview Anaya Music gave to Michael Diamond of Music & Media Focus about her most recent full length album, Fifth Essence, the world-renowned [New Age composer/producer](#) said, “My path is to touch people’s soul through music as I connect with my own inner being.” With her highly anticipated new track “Dharma,” released April 15, she creates a blissful journey through poetic soundscapes, paving a peaceful path to her upcoming Eternity album while manifesting her childhood dream to play alongside a symphony orchestra. She recorded the sweeping, inspiring track, and the other pieces on Eternity, virtually with a symphony in Prague.

Expounding on the titles of the single and album, Anaya says, “Dharma is my path to Eternity. It is a dream that came through to play with a [live symphony orchestra](#)! I feel fulfilled by the universe’s joyfulness of love and realization. It is the sound of my deepest music! When I first listened to the ‘Dharma’ arrangement, the melody stayed echoing inside of me for days...that is why I chose it to be the single for this new album.”

“I make music to fulfill a collective yearning shared by humanity for harmony, unity and balance,” she adds. “It has been an amazing journey of transcendence with and through musical arts. The magic of music and the profound feelings of love are a divine instrument of perfection to give re-birth to our soul. Music is the sound of Light.”

Over the course of her career, which includes the recent album Fifth Essence, Devotion (2014) and Aligned in the Universe (2013), the Brazilian-born-and-raised Anaya has passionately expressed her spirituality and the influence of her cultural roots through music, art and poetry. Her unique style captures the soothing, inspiring and energizing essence of Brazilian music, delivering a dynamic synthesis of new age, electronic and melodic trance influences and textures. Her expansive vision is

also reflected in her many YouTube videos (see "Fifth Essence" video herein).

Finding the perfect phrases to capture the divinely-inspired power of Fifth Essence, Michael Diamond wrote, "I would encourage the listener to not only listen 'to' the music, but to listen 'into' the music...to feel the vibration of Anaya's intention for healing and spiritual attunement. It is not an album created for entertainment, but is more of a vehicle for meditation and inner awareness."

Anaya began creating her spirit/mind/heart based masterworks for the purpose of [relaxation and meditation](#), emerging as a timeless composer devoted to elevating the human spirit through music. "Dharma" and the other original compositions she is creating for Eternity continue in this inviting, transcendent tradition.
