BURNABY, BRITISH COLUMBIA, CANADA, June 5, 2016 /EINPresswire.com/ -- Vancouver, Canada – June 7, 2016 - Vertigo Games, a leading game development/publishing company, has released [BlackShot](#), a fast paced, militaristic first-person shooter loaded with powerful weapons, lifelike characters and gritty environments, on [Steam](#). As told by steam reviews, “Blood squirts everywhere”, “The gun sound effects and grenade blasts literally blast my ear off” and is the “Best F2P game I have played”, Blackshot quickly gained popularity. Soon after, it became the top upcoming game, the #2 most popular New F2P Release, and the #2 top trending game on Steamcharts.

## -Story

With the world in a state of chaos and powerful nations competing for money and resources, Blackshot players must take on the role of a mercenary and make a name for themselves in the game's dangerous environments.

Blackshot is one of the world's leading mercenary groups.

Bound by a strict code of conduct, Blackshot mercenaries are expected to fulfill the terms of their contract to the letter, as stipulated by their employers. As Blackshot is a large multinational group, there have been many cases where Blackshot mercenaries were employed by the opposing corporations. In every case, it has been a fight to the death.
