

Top Grooming Tips For Special Occasions

You're getting ready for your big 30th birthday party or set to shine at a ball; you want to ensure you look and feel your best for any special occasion.

LA, CA - CALIFORNIA, USA, September 20, 2016 /EINPresswire.com/ -- At Aotearoa Beauty, we've come up with our top tips on how to groom for your next event.

Firstly, you need to relax a bit. It can be stressful if you are the one organising the party or even if you just have a lot of work on in the days leading up, but it's really important that you take time out to relax. Even if it's just a few hours the morning before, or a full day if you have the chance: you'll feel much better if you've had time to rejuvenate.

Pamper yourself. Get your hair done at a salon if you can; or indulge in a hair mask to give your hair some extra shine. Get a manicure or pedicure, have your eyebrows waxed or shave your beard for a fresh new look.

The night before the event, make sure you get a good night's rest. And in the morning, you might also consider getting yourself a massage! Any excuse, right? Make sure you're ready to get into those photos! Regardless of what the special occasion is, its "special" – which means **SOMEONE** is going to take photos! Whether they are selfies or close-ups, or group shots, you want to make sure you look your face looks its best.

Getting yourself a high quality [blackhead remover kit](#), a great set of [tweezers](#), slapping on a bit of concealer or using your [nose hair trimmer](#) can all help you to be the best you can be.

Finally, treat yourself to an amazing new outfit that is guaranteed to shine (and some comfortable shoes to match)! You deserve it!
