

# Global Aerospace & Defense C-Class Parts Market Expected to Reach \$12.1 Billion by 2021, Growing at 4.4% CAGR in 2016-21

*Extensive Market Research Report from Stratview Research includes Trends, Forecasts, Competitive Analysis and Strategic Growth Opportunities.*

DETROIT, MI, UNITED STATES, September 22, 2016 /EINPresswire.com/ -- Stratview Research announces the addition of a new market research report on [Global Aerospace & Defense C-Class Parts Market](#) by Aircraft Type (Commercial, Regional, General Aviation, Helicopter, and Military Aircraft), by Parts Type (Hardware, Bearing, Electric Components, and Machined Parts), by Sales Channel (Direct Sales, Distributors, and Parts Brokers), by End Use (OEM and Aftermarket), and by Region (North America, Europe, Asia-Pacific, and RoW), Trend, Forecast, Competitive Analysis, and Growth Opportunity: 2016 – 2021.

## The Global Aerospace & Defense C-Class Parts Market: Highlights

Stratview Research foresees a robust growth of 4.4% CAGR in the global aerospace & defense C-Class parts market over the next five years (2016 – 2021) to be worth \$12.1 Billion by 2021, which offers an attractive opportunity to the tier-II and tier-III players of the global aerospace & defense industry to align themselves with the market growth.

The author of the industry report cited increasing commercial and regional aircraft deliveries, technology advancement, and growing aerospace and defense fleet size as the key drivers in the global aerospace & defense C-class parts market.

Hardware parts are expected to remain dominant in the aerospace & defense C-Class parts market. The author stated that hardware parts are expected to remain dominant in the global aerospace & defense C-Class parts market over the next five years, mainly driven by the demand of fasteners and bolts.

The publisher, A Global Market Intelligence Firm

Growth Magnitude in A&D C-Class Parts Market by Region

North America is expected to be the dominant and Asia Pacific to be the fastest growing region North America is expected to remain the leading region in the aerospace & defense C-Class parts market since it is the manufacturing hub of the major tier players and aerospace & defense OEMs. The key aerospace & defense C-class parts manufacturers are Precision Casts Parts, Alcoa Global Fasteners, B E Aerospace, Eaton Corporation, Monogram Aerospace Fasteners, Amphenol Corporation, and Vought Aircraft Industries (Part of Triumph Group). New product development, collaboration with tier players and OEMs, and long term contacts are the key strategies adopted by the key players to gain competitive edge in the market.

#### Report Features

The mentioned report provides respective market intelligence in the most comprehensive way. The reports structure has been kept such that it offers maximum business value. It provides critical insights on the market dynamics and will enable strategic decision making for the existing market players as well as those willing to enter the market. The following are the key features of the report:

- Market structure: Overview, industry life cycle analysis, supply chain analysis.
- Market environment analysis: Growth drivers and constraints, Porter's five forces analysis, SWOT analysis.
- Market trend and forecast analysis.
- Market segment trend and forecast
- Competitive landscape and dynamics: Market share, product portfolio, product launches, etc.
- Attractive market segments and associated growth opportunities.
- Emerging trends.
- Strategic growth opportunities for the existing and new players.
- Key success factors.

Stratview Research has a number of high value market reports in the global aerospace & defense industry. Please refer to the following link to browse through our reports:

#### About Stratview Research

Stratview Research is a global market intelligence firm providing wide range of services including syndicated market reports, custom research and sourcing intelligence across industries, such as Advanced Materials, Aerospace & Defense, Automotive & Mass Transportation, Composites, Consumer Goods, Construction & Equipment, Electronics and Semiconductors, Energy & Utility, Healthcare & Life Sciences, and Oil & Gas.

We have a strong team of industry veterans and analysts with an extensive experience in executing custom research projects for mid-sized to Fortune 500 companies, in the areas of Market Assessment, Opportunity Screening, Competitive Intelligence, Due Diligence, Target Screening, Market Entry Strategy, Go to Market Strategy, and Voice of Customer studies.

Stratview Research is a trusted brand globally, providing high quality research and strategic insights that help companies worldwide in effective decision making.
