"No one should have to suffer from pain or embarrassment simply because they cannot afford dental treatment," says Dr. Michelle Bernreuther of Affordable Dental Solutions.

The team of experienced and skilled dental experts at Affordable Dental Solutions can place dental implants and fabricate dentures at rates lower than many competitors in the area. Affordable Dental Solutions offers dental implant procedures at about half the price of other dental practices. Their fee for an implant abutment and crown is only \$2000. The same office also offers Wilmington residents dentures for only \$495 an arch.

Affordable Dental Solutions believes that patients should never have to worry about the price of their smile. Their costs of production are kept low due to their state-of-the-art facilities, which allow them to efficiently make dentures without outsourcing to laboratories. As a result, they can offer affordable rates to all of their patients.

Implant and denture patients in Wilmington who are looking for more affordable options can learn more about the services Affordable Dental Solutions provides by scheduling a consultation with Dr. Bernreuther, one of the organization's dental experts.
