

# Banana Bed 2.0: the perfect present for under this year's Christmas tree

*Banana Bed is preparing for Christmas with its new offer as shoppers start their hunt for fun yet practical presents.*

SUNSHINE COAST, QUEENSLAND, AUSTRALIA, October 12, 2016 /EINPresswire.com/ -- Sunshine Coast, QLD - [Banana Bed](#) has announced the release of Banana Bed 2.0 with an amazing summer sale and up to 50% discounts. The manufacturer of one of the most innovative products of the year has announced its new version with a better and stronger design that has many cool features including two new colours. [The Australian company](#) based on the Sunshine Coast, Queensland, takes pride in the quality of the work it produces and backs that up with a 12-month warranty.

The ultra-lightweight [inflatable bed](#) is portable and doesn't need an inflation pump like most of its contemporaries. The new colours of Banana Bed are Green (The Goblin), and White (The Migaloo). Blue, pink, yellow and charcoal are already available. Shorter than a foot-long Subway sandwich, it weighs only 1300 grams. The active material of the bed is the same used in parachutes, 100% Ripstop nylon. Shipping is free and the next day dispatch is also guaranteed. After its first version, the company has perfected the 2.0 version with enhanced durability and strength.

The bed looks like a fresh giant banana and can be used as a boat in the pool. Aussies enjoy their summer to the fullest, hanging out at BBQs and enjoying other outdoor activities. It is the perfect pool toy

Banana Bed Australian Summer Must Have

for our water-loving nation. After the success of its first version, the company has been manufacturing in greater numbers to meet the increasing demands of this bed in the Australian market. The innovative design holds a person inside the banana. No pillow is required for this bed as it gives a natural comfort to the spine and the rest of the body. Unlike most inflatable products that are similar to the Banana Bed, this one is designed with long-lasting comfort in mind and the one year warranty supports our confidence in the design and testing process.

Australia's Hottest Summer Product

The Summer Sale of the bed makes the

bed available for just \$69, when the actual price of the bed is \$129. The offer also includes free shipping and a 1-year warranty across Australia. Aussies can avail themselves of this offer quickly by using the discount code at checkout 'BRINGONSUMMER'. The bed doesn't need an air pump and you don't need to buy a pump. The Banana Bed inflates quickly without a pump. Based on the trends online, the potential for this bed is huge in Australia as the similar (version 1) products have always been high in demand. However, the quality of Banana Bed 2.0 makes it different and unique.
