

Global Narrow body Aircraft MRO Market is expected to grow at a CAGR of around 4.5% during 2016-2021

Global Narrow body Aircraft MRO Market by MRO Type (Airframes & Modifications, Components, Engines and Line Maintenance) and by Geography - Forecast To 2021

PUNE, MAHARASHTRA, INDIA, October 13, 2016 /EINPresswire.com/ -- Market Synopsis of [Global Narrow body Aircraft MRO Market](#)

The Global Narrow body Aircraft MRO Market is expected to grow at a CAGR of around 4.5% during 2016-2021. The key factors driving the growth are increasing demand for narrow body aircraft from emerging markets, outsourcing of MRO activities, and usage of additive manufacturing in aircraft components.

Key Players

- GE Aviation
- Honeywell Aerospace
- Lufthansa Technik
- Pratt & Whitney

The Major Key Players are GE Aviation, Honeywell Aerospace, Lufthansa Technik, Pratt & Whitney, Rolls Royce Holdings, Air Works, Jet Maintenance Solutions, GMF AeroAsia, HAECO, ST Aerospace.

Market Research Future

- Rolls Royce Holdings
- Air Works
- Jet Maintenance Solutions
- GMF AeroAsia
- HAECO
- ST Aerospace.

Target Audience

- MRO Vendors
- Component Suppliers
- Potential Investors
- Key executive (CEO and COO) and strategy growth manager

Global Narrow body Aircraft MRO Market (\$ billion), 2016-2021

As per the MRFR analysis, factors restraining the market growth are high cost of repair and replacement, retrofit of older aircraft with upgraded systems, and environmental hazards . Shift towards radio-frequency identification (RFID), and integration of mobile technologies for efficient turnaround are the ongoing trends which will impact the market during the forecast period.

Taste the market data and market information presented through more than 50 market data tables and figures spread in 103 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on “[Global Narrow body Aircraft MRO Market Research Report](#)”

Study Objectives of Global Narrow body Aircraft MRO Market

- To provide detailed analysis of the market structure along with forecast for the next 5 years of the various segments and sub-segments of the Global Narrow body Aircraft MRO Market
- To provide insights about factors affecting the market growth
- To analyse the Global Narrow body Aircraft MRO Market based on various factors- price analysis, supply chain analysis, porter's five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, Asia, and Rest of the World (ROW)
- To provide country-level analysis of the market with respect to the current market size and future prospective
- To provide country-level analysis of the market for segment by MRO types
- To provide strategic profiling of key players in the market, comprehensively analysing their core competencies, and drawing a competitive landscape for the market
- To track and analyse competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Global Narrow body Aircraft MRO Market

Regional and Country Analysis of Global Narrow body Aircraft MRO Market

As per the MRFR analysis, the EMEA region will continue its dominance in the forecast period to reach \$XX billion, to grow at a CAGR of 5%. Whereas, APAC and Americas will grow at a CAGR of 8% and XX%, respectively during the forecast period.

Browse a Full Report Details @ <https://www.marketresearchfuture.com/reports/global-narrowbody-aircraft-mro-market-research-report-forecast-2016-2021>

The Major Topics Included in Table of Content are:

1. Introduction
2. Executive Summary
3. Scope of the Study
4. Assumptions and Limitations
5. Research Methodology
6. Market Size Estimation

7. Market Factor Analysis
8. Market Dynamics
9. Market Segmentation
10. Global Narrow body Aircraft MRO Market by MRO Type, 2016-2021
11. Global Narrow body Aircraft MRO Market by Region, 2016-2021
12. Competitive Landscape
 - 12.1 Key Players and Market Share Analysis
 - 12.2 Key Development (M&A, JVS, Partnership)
 - 12.3 Competitive Benchmarking (Financial And Operational)
 - 12.4 Key Companies to Watch
13. Company Profile
 - 13.1 GE Aviation
 - 13.1.1 Company Overview
 - 13.1.2 Product/Business Segment Overview
 - 13.1.3 Key Financial
 - 13.1.4 Key Developments And Strategies
 - 13.2 Honeywell Aerospace
 - 13.2.1 Company Overview
 - 13.2.2 Product/Business Segment Overview
 - 13.2.3 Key Financial
 - 13.2.4 Key Developments And Strategies
14. Conclusion
15. Appendix

The report also covers country level analysis:

Americas (North & Latin)

- US
- Canada
- Brazil
- Others

Europe

- Germany
- France
- Italy
- Spain
- U.K
- Rest of Europe

Asia – Pacific

- China
- India
- Japan
- Australia/New Zealand
- Rest of Asia-Pacific

Middle East & Africa

- UAE,
- Kuwait
- Israel
- Rest of Middle East & Africa

The market report for Global Narrow body Aircraft MRO Market of Market Research Future comprises of extensive primary research along with the detailed analysis of qualitative as well as quantitative

aspects by various industry experts, key opinion leaders to gain the deeper insight of the market and industry performance. The report gives the clear picture of current market scenario which includes historical and projected market size in terms of value and volume, technological advancement, macro economical and governing factors in the market. The report provides details information and strategies of the top key players in the industry. The report also gives a broad study of the different market segments and regions.
