KENNEDY TOWN, HK, HONG KONG, October 19, 2016 /EINPresswire.com/ -- Online [Korean skincare](#) store, Skin18 has been offering [Freebies](#) masks offer since the beginning and has just become better than ever. The store is giving away full-size free masks samples on every purchase and freebies by paying shipping only. This offer is a golden opportunity for all those who would like to try famous Korean skincare products to understand why they are so great. There is a limited quantity of freebie masks up for grabs, the early birds will be able to select their free masks from over 80 choices.

A few years back when Korean skincare and beauty products started making

80+ freebies to choose from

waves in the western world of beauty and makeup, many people dubbed it a trend, but now it seems K-beauty is here to stay and has helped revolutionize the world of beauty and the products being considered as the benchmark for modern and innovative skincare and makeup. Although K-beauty products seem to be everywhere and are readily available in many places, there are still many hidden gems that are not yet available in stores and can only be found on Korean skincare and cosmetics websites such as Skin18. The benefit of shopping from Skin18 are plenty, some of them include their amazingly low prices and outrageous discount and freebie offers.

The amazing freebies concept of Skin18 is all about taking care of the skin, the current offers include:

- Get full-size mask samples on every purchase.
- Get freebies by paying shipping fee only
- Up to 5 freebies with free shipping purchase.

The Skin18 store was founded by a lady who believes that taking care of one's skin is far more important than simply using makeup to hide imperfections. Perfect glowing and radiant skin is a sign of a healthy body and mind, and the Skin18 founder wants her buyers to achieve great skin through the freebies the web store is currently offering. There is a wide variety of masks available to suit many different skin types with different benefits, perfect for [home facials](#).

Skin18's founder commented: Being obsessed about skin care is one of the habits of our family. As a busy business woman with 2 kids and at a certain age, I pay extra attention to my skin. I am amazed on how Korean natural skincare and makeup has been changing my mentality that high quality skin care does not have to be expensive."
