Summaries of Papal Documents for Reference and Study

CLEVELAND, OHIO, UNITED STATES, October 19, 2016 /EINPresswire.com/ -- [Scepter Publishers](#) is proud to offer “[The Timeless Teachings of Saint John Paul II](#)”, by John E. Fagan, a new edition with an updated title, to celebrate St. John Paul II’s first feast day on Saturday, October 22, 2016.

The teachings of Pope John Paul II continue to be a source of enrichment for the Church and the world. Pope Benedict XVI encouraged the faithful to study his writings, making it his “personal mission to ensure that his documents are assimilated, because they are a rich treasure, the authentic interpretation of Vatican II.”

In this book, John Fagan summarizes the teachings of Pope John Paul II so that they’re more accessible and easier to understand. It summarizes the Pope’s major documents with an emphasis on issues of interest to Catholics everywhere. It is perfect as an introduction, or as a quick reference guide to John Paul II’s many writings and teachings.

“Fagan’s summaries can be read independently or as an introduction to reading the documents themselves, while the

questions for discussion added in this addition enhance its usefulness for group study.” ~ Russell Shaw, author of “Catholics In America”
