

Barbara Hardie of Angel Connections to be Featured on CUTV News Radio

TOLLAND, MASSACHUSETTS, USA, October 26, 2016 /EINPresswire.com/ -- So many of us experience pain and suffering, but we all have angels, whether we're aware of them or not. Our angels are assigned to us before birth and their purpose is to guide us through life and help make life easier, if we let them.

Barbara Hardie says she has learned through personal experience that by connecting to her Heavenly Angels and allowing them to guide her toward her highest potential, her life has improved immeasurably.

Barbara is the founder of Angel Connections, where she helps individuals connect with their spiritual team—Soul, Higher God Self, Guardian Angels, Angels, Archangels, and Ascended Masters—in order to improve their quality of life through spiritual awareness.

“If we don’t know we have this ability, we struggle with life,” says Barbara. “Trust your Angels!”

Barbara says her clients usually come to her because they have a problem they don’t understand. Though she admits she does not hold the answers they seek, her Spirit Guides will provide helpful information through her.

“

Trust your Angels!

“It’s a unique way to have a conversation,” says Barbara, “but it’s also a unique way of getting to the root of a problem.”

Barbara says she has always believed in Angels. She was led to angelic books and discovered through meditation that she was able to connect with the Angelic Kingdom. Today, Barbara has written three books of channeled information Spirit wants humanity to know, including *Creating Heaven on Earth: A Guide to Personal Ascension* and her most recent release *Darkness: Where Does It Come From?*

“We’ve had blinders on for too long and we’ve been living under a dark cloud,” says Barbara. “We have to contribute to the good times by releasing and letting go of our negativity, by being kind to one another, and by being more positive in our thoughts, words, actions and feelings.”

CUTV News Radio will feature Barbara Hardie in an interview with Doug Llewelyn on October 28th at
