

U.S. Customs and Border Protection joins expert speaker line up at Border Security 2017

SMi's will open its door once more in Rome, Italy for the 10th annual Border Security conference on the 15th and 16th February 2017.

ROME, ITALY, November 18, 2016
/EINPresswire.com/ -- [The 2017 event](#) will discuss how to enhance border security through technological innovation and procurement. The agenda will focus on the following topics: operational case studies, biometric technology, smart border technology, threats and border management, surveillance and detection and so much more...

This is a sell-out event, to register visit the event website www.bordersec.com/EIN

Colleen Manahan the Executive Director of Entry/Exit Programmes from U.S. Customs and Border Protection has confirmed as a speaker for the [2017 line-up](#). She will be giving a key note

address on day two of the conference with her presentation entitled 'U.S Customs and Border Protection's Strategic Approach to Implementing a Biometric Exit System'. This session will provide attendees with an exclusive update on what U.S Customs and Border Protection are doing to enhance security measures. She will touch upon the following:

“

This is a sell-out event

SMi Group

- Conducting extensive testing and analysis of new, cutting-edge biometrics to further enhance the ability to combat threats, streamline the inspection process, and expedite the flow of travel and trade.
- Deployment of targeted biometric entry/exit projects
- The search for industry expertise on biometric exit solutions that can be seamlessly integrated into CBP operations.
- Developing partnerships with the air industry to innovate the inspection process with advanced technology and transform the traveller experience.
- Enhancing biographic data systems to support biometric capabilities.

U.S. Customs and Border Protection will make a great addition to the conference and will be joining senior law enforcement personnel and industry experts from U.S. Department of Homeland Security, Italian Coast Guard, Guardia di Finanza, Borders & Immigration UK, Austrian Armed Forces, Finnish Customs, French Customs, SITA, International Organisation for Migration and many more...

Border Security 2017

Running alongside the conference will be a [pre-conference workshop](#) entitled 'Biometrics for Border Management and Security', which will be led by Max Snijder, CEO of the European Biometrics Group, European Association for Biometrics.

There is currently an early bird offer available; book by 30th November to save £200 off the conference price. Register at www.bordersec.com/EIN
