

# Mom-Son Coauthors Release 'Shine Your Light' Paige Maddison Series

*Book Three in a Supernatural, Ghost, and Spiritual Tween/Teen Series*

ORILLIA, ONTARIO, CANADA, November 18, 2016 /EINPresswire.com/ -- Paige Maddison is only 17 years old, but many know her spirit is ageless. She holds the gift of seeing beyond the layers of our reality, the courage to battle the evils that threaten to tear those layers apart, and the key to an ancient mystery that will decide the fate of the spirit realm, and our own, for another century.

In [Shine Your Light](#), the third book of the [Paige Maddison series](#), Paige finds herself precariously balanced between the mortal and spiritual realms, even while being haunted by events of the past. Surrounded by powerful allies, old and new, she discovers the true power of friendship—and the impact of its betrayal—as she faces her greatest challenge: the Prince of Darkness himself. The Ultimate Evil.

When a black moon looms over All Hallows' Eve, and the battle for control of an ancient Grimoire threatens to destroy the world as we know it, Paige will be put to the test. Will love and goodness win the day? Will the strength and magic of her Celtic ancestry, the First Nations People, her Spirit Wolf family, or even divine intervention be enough to help her prevail? Chosen by fate to win the battle of good vs evil on Earth's battlefield, what if the upperworld made the wrong choice?

Looking for a supernatural series full of twists and turns at every corner? [John Robert Colombo](#), Canada's Master Gatherer, has this to say: Shine Your Light is a delightful and insightful novel...It beautifully describes the incredible adventures of the youthful Paige Maddison...wise beyond her years. As well, she is an intuitive person whose feet are firmly planted on the ground...she communes with the spirits of Archangels Raphael and Michael, King Solomon, Grey Owl, and even the dreaded Beelzebub! Like many of her high-school girlfriends, Paige is a well-rounded and purposeful personality...I found myself thinking about her as the Nancy Drew of the realm of high spirits and dreams and visions...all convincingly described...descriptions of lively human beings with whom it is
