WOLFCOM® makes the INC. 5000 list of

"America's Fastest Growing Companies" Again!

WOLFCOM Ranks No. 1466 on the 2016 Inc. 5000 with Three-Year Sales Growth of 262%

Hollywood, September 14, 2016- The Inc. 5000 recently released the 2016 list of America's fastest-growing private companies. Body cameras are a hot topic at the moment and one of America's leading body camera manufacturers made the list for the second year in a row. The list represents the most comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino's Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000. WOLFCOM® is a body camera manufacturer based out of Hollywood, CA and has been in business since 2001. This year, [WOLFCOM® placed 1,466](#) out of 5,000 companies and had a three-year sales growth of 262%. Compared to last year, WOLFCOM®'s position increased by 1,151 and their sales growth increased by 121%, showing their strength in the body camera industry. For information about last year's placement, [click here](#).

Learn about our Company

According to WOLFCOM®'s Founder, Peter Austin Onruang, making it on the Inc. 5000 has always been a goal of his: "In my early teens, I would read Inc. Magazine. I was always captivated by the struggles and triumphs of people who did whatever it took to attain success. Looking back at the last 15 years of my life, I feel as though I've walked a billion miles to get here. There's still a very long way to go and a lot more to learn, but knowing I have the right people at my side gives me the confidence to step boldly into the future."

About WOLFCOM®: WOLFCOM® is a body manufacturer located in Hollywood, CA. WOLFCOM® designs, manufactures, and sells Body Cameras and Evidence Management Software to law enforcement agencies across the U.S. and the world. WOLFCOM has also pioneered the [Critical Re-Connect](#) feature. This patent pending technology protects the user from loss of audio and video recording should the external camera or POV (Point of View) camera become detached from the main recording unit. Methodology

The 2016 Inc. 5000 is ranked according to percentage revenue growth when comparing 2012 to 2015. To qualify, companies must have been founded and generating revenue by March 31, 2012. They had to be U.S.-based, privately held, for profit, and independent--not subsidiaries or divisions of other companies--as of December 31, 2015. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2012 is \$100,000; the minimum for 2015 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/5000>.
