

UNITED SCIENTIFIC GROUP ANNOUNCES RELOCATION OF CORPORATE HEADQUARTERS

PLANO, TEXAS, UNITED STATES OF AMERICA, December 31, 2016 /EINPresswire.com/ -- The scientific publisher and networking organizer, United Scientific Group (USG), has moved from its Santa Clara, CA corporate headquarters where it has been situated since 2014 to new facility at Plano, TX. The move was made on November 1, 2016, but due to transition it will officially effective from January 1, 2017.

UNITED | Scientific Group

USG provides broad range of services in the fields of science and technology including publishing scientific journals, conducting world class scientific events and holding highly interactive and proficient world forums.

The move was necessitated by the growth, the company has realized in the last few years. The centralized location would make the travel distance shorter and be time saving for the team members who need to travel all around United States to organize conferences and workshops. The new facility is bigger than the Santa Clara facility. It offers more efficient layout, will support our continued growth and expansion; also will provide a better work environment for current and future staff.

USG United Scientific Group, LLC's new address is 8105, Rasor Blvd - Suite #112, PLANO, TX 75024. The company's main phone number will remain the same – 408-426-4832 – as will all email addresses.
