Cooked Research Report on Homogenizers Market. The Global Homogenizers Market is expected to grow at a CAGR of around 4.3% during the period 2016 to 2022.

“ We enable our customers to
unravel the complexity.”

Market Research Future

Market Highlights

Key Players in market are
Krones AG, GEA Group, SPX
Corporation, Sonic
Corporation, Avestin Inc.,
Bertoli s.r.l, FBF Italia s.r.l,
PHD Technology International
LLC, Ekato Holding GmbH,
Alitec, etc.

Market Research Future

The [Global Homogenizer Market](#) size was valued at around USD 1.2 Billion in 2015 and is expected to cross USD 2 billion at a CAGR of 4.3% by 2022. The food & beverage sector is estimated to form the largest share in the forecast period. Homogenizers provide several advantages as they reduce the microbiological activity, offering new categories of products and increasing their shelf-life. Also, homogenizer has specific application in the pharmaceutical industries as it is used to reduce particle size of pharmaceutical products to make it more stable and clinically effective this in turn will boost the market for homogenizer.

The market for such homogenizers has boosted in the regions of APAC. It is due to rapid industrialization and economic development that the region accounts for increased investment in technology and other advancements across all the major sectors. The food and beverage sector is also seen focusing on various technological changes. This in turn stimulates the demand for homogenizers in the food & beverage sector in the region of China and India.

Key Players

The key players of global Homogenizers Market report are- Krones AG, GEA Group, SPX Corporation, Sonic Corporation, Avestin Inc., Bertoli s.r.l, FBF Italia s.r.l, PHD Technology International LLC, Microfluidics International Corporation, Ekato Holding GmbH, Alitec, and Simes SA.

Scope of the Report

This study provides an overview of the global homogenizers market, tracking three market segments across four geographic regions. The report studies key players, providing a five-year annual trend analysis that highlights the market size, volume and share for North America, Europe, Asia Pacific, and Rest of the World. The report also provides a forecast, focusing on the market opportunities for the next five years for each region. The scope of the study segments the global homogenizers packaging market as Type, Technology, and Application.

- By Type

- o Ultrasonic
- o Pressure
- o Mechanical

- By Technology

- o Single-valve Assembly
- o Two-valve Assembly

- By Application

- o Food & Beverages
- o Personal Care
- o Pharmaceuticals
- o Chemical
- o Others
