Among car type, economy cars dominate the global car rental market owing to their cost effectiveness. However, MUVs will witness a significant growth due to emerging trend of carpooling and car sharing services. Geographically, North America held the largest share of global market in 2015 due to the presence of key market players such as Hertz, Avis Budget Group, and Enterprise Holdings and a high number of business activities along with a high number of tourists in the region and growing awareness about carpooling services. APAC region will witness the fastest regional market growth during the forecast period as rising middle-class population is leading to significant increase in air travel, providing an opportunity for key players in the car rental market to offer services across all major airports in the region. Moreover, rising number of both international and domestic tourists coupled with increasing number of internet users to carry out online travel bookings is boosting the growth of APAC car rental market.
