

Buffalo Americas Announces Its Replacement for the Popular MiniStation

The MiniStation is pocket-size and compatible with Mac and PC. Whether you are on your Mac at a coffeeshop or pc at the office, your data is secure and portable

AUSTIN, TEXAS, UNITED STATES OF AMERICA, January 6, 2017 /EINPresswire.com/ -- Buffalo Americas, a leading provider of USB storage, network attached storage (NAS) and networking solutions, announces the availability of its new ultra-portable and light weight portable hard drive, the MiniStation™ HD-PCFU3-D. This is a replacement for the MiniStation HD-PCFU3.

Designed for mobility, this MiniStation offers an updated chassis and comes with a 2 year warranty. The MiniStation occupies minimal space and is includes USB 3.0 bus-powered mobile data storage for your on-the-go lifestyle. This MiniStation is pocket-size and compatible with both Mac and PC, so whether you are on your Mac at a coffee shop or PC at the office, your data can be secure and taken with everywhere you are.

As with all Buffalo products, this portable hard drive does include its award winning US-Based 24/7 support for any necessary pre and post sales assistance. It is available in 1TB and 2TB capacities, and fast interface speeds of up to 5Gbps through its USB 3.0 connection, which is fully backward compatible with USB 2.0. You can simply plug the device into any available USB port on your computer to instantly add capacity or store files to take on the road. This is a preformatted hard drive, which means it does not require any software updates or drives, it is simply ready for immediate use. Included with MiniStation is Buffalo's multipurpose Buffalo Tools utility suite designed to enhance Windows® PC performance and user experience, including TurboPC for faster transfers. Additionally, you can use MiniStation with Buffalo Backup Utility, free with purchase, or Time Machine to back up your important information and memories. Store, back up and transport your content with SuperSpeed connectivity.

Pricing and Availability

The MiniStation™ HD-PCFU3-D is backed by a limited two-year warranty including toll-free 24/7 US-based technical support.

- MiniStation 1 TB (HD-PCF1.0U3-D) is available now at an MSRP of \$79.99
- MiniStation 2 TB (HD-PCF2.0U3-D) is available now at an MSRP of \$99.99.
