

Castle Rock Realtor Jim Garcia Launches New Website with Enhanced Technology

RE/MAX Professionals Realtor Jim Garcia launches new website with enhanced technology to provide home buyers with faster access to new real estate listings.

CASTLE ROCK, COLORADO, USA, February 15, 2017 /EINPresswire.com/ -- Castle Rock Realtor Jim Garcia recently launched a new and improved website with enhanced technology designed for a vastly improved user experience. The newly developed website, www.jimgarciahomes.com, includes several helpful features including: a faster IDX (internet data exchange) that provides up-to-the-minute MLS listings to the site, and the ability for buyers to sign up for instant e-mail alerts any time a new property is listed for sale.

Along with Jim's other popular blog and website, which also focuses on [Douglas County CO real estate](#) and local news and events, the new website will highlight the geographical areas of Castle Pines, Castle Rock, Highlands Ranch, Parker, Lone Tree, and several other areas in Douglas County. The new site allows visitors to view properties for sale in three different modes: gallery view, map view, and photo view. Included on the new and improved website are essential resources for home buyers and home sellers.

“

My philosophy has always been to provide outstanding customer service, and my new website uses improved technology that will help simplify finding buyers the perfect home for sale.”
