

Pizzeria Boss -- Be the Boss - Kickstarter Card Game Campaign gains momentum

Card game creators turns to grass roots backers as they prepare to launch deliciously fun tabletop concept.

CINCINNATI, OH, UNITED STATES, March 19, 2017 /EINPresswire.com/ -- : 'Pizzeria Boss -- Be the Boss!' is set to become a firm favorite among tabletop games lovers old and young, and will have the backing of the general public as its Kickstarter campaign begins to pick up momentum.

Falling Star Entertainment's signature title combines two decks - the Boss Deck and the Order Deck - to provide players with a thrilling incentive to complete more pizza orders than their opponents with limited resources. 'Pizzeria Boss -- Be the Boss!' is all about playing the right card at the right time - players need to make sure they have the toppings which the Order Deck requires on their pizzas. The Boss Deck gives players some help on this entrepreneurial journey, and they might even be able to disrupt their competitor's plans in the process!

There are a full set of rewards for 'Pizzeria Boss -- Be the Boss!' backers who wish to [support the project](#). From some good old mutual love from Falling Star Entertainment for \$1 pledges, through to 50 free copies of the game plus their own exclusive card in the game as 'The Boss', featuring a character based on the backer themselves for those going in over the \$1,000 mark. That's alongside other reward levels such as an Owner Gift Pack containing 20 copies of the game at a special rate, for those pledging over \$295.

Falling Star Entertainment believes families and social groups can't fail to be taken with the light-hearted and fun card game, which centers on timing and making the right choices. It is brought to life with some [brilliant art](#) on the cards.

There could also be a whole new set of features introduced into the game at a later stage, with
