

Love & Relationship Coach Sharon Pope to be Featured on CUTV News Radio

COLUMBUS, OHIO, UNITED STATES, April 11, 2017 /EINPresswire.com/ -- Does this sound familiar? Your marriage looks picture-perfect on the outside, but feels empty and alone inside. You love your husband, but you're not in love.

We go to school for decades, but where was the class on relationships, communication, how to argue, how to set healthy boundaries, how to express your needs, how to be a woman, mother and a wife?

Sharon Pope is a master life coach, six-time international best-selling author and speaker who specializes in love and relationships. If you're struggling in your marriage or attempting to heal after heartbreak or divorce, she can help.

"I help women discover answers for their struggling and painful relationships," says Pope. "It doesn't matter if you're questioning a marriage that no longer feels good or if you're healing from heartbreak or divorce. I've been through this fire that you're standing in right now and I now have the tools to bring you through it."

“

It's always about healing so my clients can have the type of lasting, connected relationship they want for themselves.”

Pope is familiar with the emotions, doubts and anxiety associated with failing relationships, but she also understands the peace that comes when you can be honest with yourself without regret. Who better to guide you through this than someone who has been where you are, knows what you're feeling and is equipped with the knowledge and the tools?

“Nobody calls a life coach when their relationship is going well,” says Pope. “It's always matters of the heart and it's always about healing so they can have the type of lasting, connected relationship that they want for themselves.”

Pope says she spent years in an emotionally disconnected marriage but didn't know a coach was an option.

“For a year, I would meltdown in my therapist’s office,” recalls Pope, “but he couldn’t pick me up, dust me off and move me forward. Finally, I got honest with myself as to my role in the creation of my experience. I realized I was the only common denominator.”

Pope teaches her clients the about the common fears that keep people stuck in unhappy marriages and how to overcome them.

“I have no agenda,” says Pope. “There is no outcome I want that you don’t want for yourself.”

CUTV News Radio will feature Sharon Pope in an interview with Doug Llewelyn on April 12th at 4pm EDT and with Jim Masters on April 19th at 4pm EDT.
