ALASKA, ALASKA, USA, May 2, 2017  
/EINPresswire.com/ -- ALASKA  
SPLENDOR LIFESTYLE CRUISE  
JUNE 17TH - 24TH, 2018

Ever wondered what it would be like to cruise in the lap of luxury, surrounded by sexy Lifestyle couples in one of the World's last real expanses of wilderness or how it would feel to play amongst the Glaciers and the Grizzlies in Alaska?! Ok – perhaps not the Grizzlies, but 2018 is your chance to cruise the Inside Passage from Vancouver BC deep into Alaska with our super sexy team at [Luxury Lifestyle Vacations](#).

We'd love for you to join us.

Alaska – the largest state in the USA, remote and wondrous; its waters and settlements remain a distant dream for many, but in 2018 with Luxury Lifestyle Vacations you can make this dream a fantastic reality. Travel with us as we embark in Vancouver for a fabulous journey through Alaska's magnificent, glacier-fed fjords and seaways. We'll have some spectacular sights onboard too – for a start the World's sexiest cruisers, our hosting team, our awesome entertainers and of course the best parties EVER!

Many of our customers often ask: When is the best month to visit Alaska? Summer in Alaska is a phenomenal time when the sun refuses to set, and limitless daylight energizes people. You can't go wrong visiting Alaska anytime between May 20 - September 1. The days are long, nature is in full bloom, and the air is alive with energy. June 21 is the longest day of the year, with 19 hours of daylight in Anchorage, 22 in Fairbanks, and 18 in Southeast. But from early May through September, days are considerably longer than at lower latitudes. Alaska's sky is light nearly all night long from late May to the end of July (unless you're out and about at 3 am). And it's past light 10 pm for another month on either side of that.

Our shore excursions during this time of the year, will be equally spectacular and will include the sheer adrenaline pumping thrill of helicopter flights over and on to the fearsome Glaciers offering the chance to experience nature at her wildest and most breathtaking; you can even get to drive a husky

The great difference between voyages rests not with the ships, but with the people you travel with”
