

Platelet Agitator Market expected to Raise USD 296 million by 2027

Platelet Agitator Market Information, by type (Flatbed, Circular and Combination devices), by capacity (small, medium and large) by end user - Forecast to 2027

PUNE, MAHARASHTRA, INDIA, May 19, 2017 /EINPresswire.com/ -- Market Highlights

The global platelet agitator market has been evaluated as steadily growing market and expected to continue the same way in the near future. There has been a tremendous growth in the investments in the biomedical sector in the recent time. The surprising fact is that the investment that is made in the sector is more by the Asian countries such as China, South Korea, India, Japan and others.

Many of the Asian countries and African countries are still in their development phase. Increasing technological advancements and development of the infrastructure in such countries will help boost the overall biomedical market which will ultimately help in the growth of the platelet agitator market.

The [global market for platelet agitator](#) is expected to grow by 4.1% CAGR during the period 2016 to 2027 from USD 296 million in 2015.

Key Players: Boekel Scientific, EMSAS Electrical Equipment Industry & Trading Inc., Fanem Ltda., Helmer Scientific, KW apparecchi scientifici, LABCOLD, Meditech Technologies India Private Limited”

Market Research Future

Major Key Players

- Boekel Scientific
