“Working with Jonny is one of the joys of my life,” says Lady Red Couture from the Hey Qween! set in Hollywood. “He’s so sweet. I’ll never forget when RuPaul came to visit and we were filming the opening banter and I messed up. So Jonny says, ‘Don’t be nervous because RuPaul is here.’ Then RuPaul says, ‘DO be nervous because RuPaul is here!’ Oh, I wet myself laughing!”

“We’ve become the best of friends making Hey Qween!” reflects Jonny McGovern of his relationship with Lady Red Couture. “She’s such a quick wit and naturally funny. People think that because I’m executive producer of the show, I also direct her. You don’t ever make Lady Red do anything. If she’s eating on the show, its cause the bitch wants a snack! I just let Lady Red be herself and that’s more than enough.”

“We were thrilled to hit 100,000 subscribers, its a tribute to Jonny, Lady Red and the entire team” says Executive Producer Susan Wrenn. “Jonny and Lady Red are both so talented and passionate about what they do. Their creativity inspires everyone,” gushes Producer Walter Delmar.
