

APEX Global becomes the latest Registered Education Provider of PMI

APEX Global has officially received the prestigious Project Management Institute (PMI) Accreditation as a global Registered Education Provider (REP).

MAKATI CITY, METRO MANILA, PHILIPPINES, June 17, 2017 /EINPresswire.com/ -- [APEX Global](#), one of the country's leading learning solution providers, today, announced that it has officially received the prestigious [Project Management Institute](#) (PMI) Accreditation as a global Registered Education Provider (REP), adding to their growing list of accreditations.

"Becoming a PMI-REP is just one of a series of steps that will allow us to add further value to our clients' businesses. In addition, we are launching many new age courses in the areas of Digital Marketing, Big Data, DevOps and [Cloud computing](#) to support the growing need of talent development in the Philippines and ASEAN region." Said Karthik Subburaman, APEX Global, Country Director.

The newly-released figures by PMI predict that nearly 22 million new jobs will be created during the next decade — and by 2027, employers will need nearly 88 million individuals working in project management-oriented roles.

"We have long advocated that project management is essential for any organization's success and are excited that others are increasingly realizing this fact as well. Organizations that invest in proven project management practices waste 28 times less money because more of their strategic initiatives are completed successfully." Mark A. Langley - PMI President and CEO said in a statement.

Apex Global's PMP course is taught by seasoned project management professionals and evangelists. Participants receive a 4-day holistic learning experience in managing end-to-end project life cycle; key PM knowledge areas; and tools and techniques across all PM process groups to help them sail through their PMP certification exam in first attempt apart from keeping tabs with industry best practices.
