## Key Players of Military Communications Market:

- Northrop Grumman Corporation (U.S.)
- Lockheed Martin Corporation (U.S.)
- BAE Systems (U.K.)
- Thales (France)
- Alcatel (France)
- Raytheon (U.S.)
- Rockwell Collins (U.S.)
- General Dynamics (U.S.)
- Harries corporation (U.S.)
- Airbus Group (Netherlands)

## Market Research Analysis:

Asia-Pacific region is expected to dominate the military communications market with the highest CAGR, during the forecast period owing to developing economies such as China and India. In addition, factors such as strong government support is expected to boost the growth of the global market military communications market in the region.

North America is the leading market due to factors such as rapid adoption of advanced Ka-band, better security services and mobile Ad Hoc networks which are driving the market growth in the region.

## Scope of the Report:

This study provides an overview of the global military communications market, tracking three market segments across four geographic regions. The report studies key players, providing a five-year annual trend analysis that highlights market size, volume and share for Asia-Pacific, North America, Europe and Rest of the World (ROW). The report also provides a forecast, focusing on the market opportunities for the next five years for each region. The scope of the study segments the global military communications market by its product types, by platform and regions.

## By Product Types

- Military Satcom
- Radio System
- Smartphones

## By Platform

- Airborne
- Ground Base
- Naval

## By Region

- Asia Pacific
- North America
- Europe
- Rest of World

## Brief TOC:

- 1 Executive Summary
- 2 Research Methodology
  - 2.1 Scope of the Study
    - 2.1.1 Definition
    - 2.1.2 Research Objective
    - 2.1.3 Assumptions
    - 2.1.4 Limitations
  - 2.2 Research Process
    - 2.2.1 Primary Research
    - 2.2.2 Secondary Research
  - 2.3 Market size Estimation
  - 2.4 Forecast Model
- 3 Market Dynamics
  - 3.1 Market Drivers
  - 3.2 Market Inhibitors
  - 3.3 Supply/Value Chain Analysis
  - 3.4 Porter's Five Forces Analysis
- 4 Global Military Communications Market, By Product Types
  - 4.1 Introduction
  - 4.2 Military Satcom
  - 4.3 Radio System
  - 4.4 Smartphones
- 5 Global Military Communications Market, By Platform
  - 5.1 Introduction
  - 5.2 Airborne
  - 5.3 Ground base
  - 5.4 Naval

About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.

In order to stay updated with technology and work process of the industry, MRFR often plans & conducts meet with the industry experts and industrial visits for its research analyst members.
