

Hope and Life Press Announces The Pro-Life Apologetics Manual by Angelo Stagnaro

In face of the destruction of innocent human beings as an inalienable right, Stagnaro offers overwhelming logic which exposes the lies used to defend abortion

EAST LONGMEADOW, MA, USA, July 24, 2017

/EINPresswire.com/ -- [Hope and Life Press](#) is proud to announce the release of [The Pro-Life Apologetics Manual](#) by National Catholic Register editorialist, Holy See liaison, and Catholic News Service chief NY correspondent [Angelo Stagnaro](#). The Pro-Life Apologetics Manual presents the 119 top myths about abortion and detailed arguments against them derived from the fields of science, history, philosophy, logic and theology. Intended to foreground the distinction between truth and political correctness, science and pseudoscience, logic and pseudologic, history and pseudohistory, this manual similarly addresses in depth the topics of artificial contraception, genetic screening and designer babies. Several remedies against them are provided, together with a section on the five ways of natural family planning. The Pro-Life Apologetics Manual is available in paperback and ebook editions from Amazon, directly from the publishers, and major booksellers. The book has been granted the Nihil Obstat and Imprimatur by the Catholic Archdiocese of New York.

ABOUT THE AUTHOR

Italian-American grant- and award-winning journalist Angelo Erasmus Stagnaro is a news correspondent with the United Nations, newspapers and international wire services in the United States of America (US), Europe and Australia. He is the principal liaison between the Consulate of the Holy See in New York City (NYC) and the Catholic News Service in Washington, D.C., as well as the Service's chief correspondent in NYC. Stagnaro is a regular contributor to the National Catholic Register and his major articles have appeared in the Washington Post, Catholic Herald, National Catholic Reporter, America Magazine, US Catholic Magazine, and The Tablet among others. He is foreign correspondent for OnlineCatholics Magazine and a freelance journalist with MercatorNet.com.

“

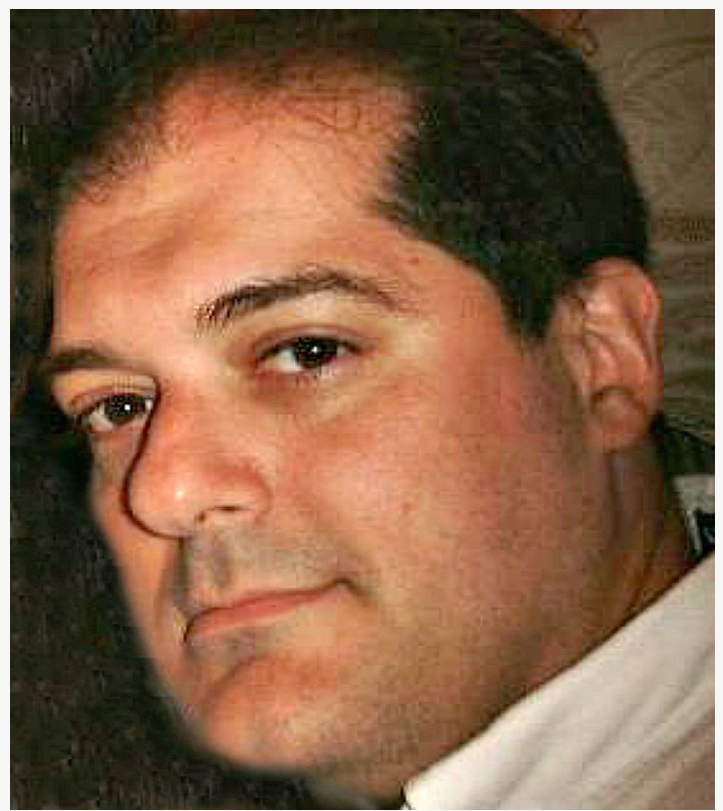

Stagnaro refutes, with many outside sources, 119 top pro-abortion myths...So much good, logical information, it can be used to educate and arm Catholics on how to advocate for lives of the unborn”

*Maria McFadden Maffucci,
Editor - Human Life Review*

Stagnaro is the author of The Catechist's Magic Kit, The Christian Book of the Dead, How to Pray the Dominican Way, and A Lenten Cookbook for Catholics. These books have been granted the Nihil Obstat/Imprimatur by
