LOS ANGELES, CA - July 21, 2017 – Georgia F., of Ventura, CA is the first Hunter to claim a new Treasure from the recently relaunched United Treasure Hunt (UTH). When she learned that she submitted the correct address for UTH Electric Bike, she was thrilled, saying “The Hunt is a mind boggler. I spent spend hours with my family, throwing around ideas, and It was so much fun. Finally, it was time to decide on an answer to submit, I made the call, and I was right!”

An executive with UTH added, “It’s taken a lot of work to bring the Hunt back to life, and it’s been great seeing how many people are enjoying the Hunt. Since we already had a Hunter claim our first Treasure, we’re starting a brand new FREE Hunt today for our electric bike.” To register for this FREE online Hunt, visit [UnitedTreasureHunt.com](#).

Starting August 15, 2017, UTH will launch its first monthly Premium Hunt for the electrifying 2017 Ford Mustang Fastback. This 300 hp American icon includes a 3.7L Ti-CVT V6 engine, 6-speed manual transmission, and plenty of technology to help you enjoy the ride. And, one Mustang will be awarded monthly, guaranteed.

To participate, Hunters must obtain Premium Hunt Packages, which include limited edition, gold-plated coins featuring a detailed sculpture of the Mustang, plus Premium Hunt Credits, which can be used to obtain clues and submit addresses.

As in the FREE Hunt, clues are published nightly at 12:01. The first Hunter to unlock the clues, and submit the Mustang’s correct address, will claim the Treasure. Hunters can also collect these limited edition coins, to trade with other Hunters, or redeem them for vacations, Mac Laptops and more.

Every time Hunters get Premium Hunt Packages, they help support the Global Lyme Alliance (GLA). This leading U.S.-based organization is dedicated to finding an accurate test and cure for this tick-borne disease. UTH is proud to support their work by donating five percent of the total revenue from our Premium Hunt Packages, which is only possible through the dedicated support of our online Hunters.
