Robin Richter, President of Wearable Imaging, Inc., recently received two nominations from WBEC-West. Not only was she nominated for Advocate of the Year, Wearable Imaging was also nominated for Supplier of the Year Class 1 for the second year in a row!

Since her initial involvement in the Women's Business Enterprise Council –

West in 2013, Robin has cherished her time with the WBE Network. This community of amazing women has been a valuable source of support, providing her with many opportunities for personal and professional growth.

When Robin took the stage in 2016 after being named Class 1 Supplier of the Year, she said, "My goal is to give back and mentor young women starting out in the business world." Over the past year, Robin has been increasingly involved in the WBENC network. She was honored to be on the Host Committee for the WBENC National Conference 2017 in Las Vegas. This coming year will be Robin's third year serving on the WBEC-West Southern California Forum, and in 2018 she will take the role of Forum Chair. Robin is very appreciative of this tremendous opportunity. She looks forward to organizing some amazing events to educate and inspire fellow WBEs!
