

Pesticide Administration in China Market 2017 – SWOT Analysis, Emerging Market Strategies & Industry Overview

PUNE, INDIA, August 10, 2017
/EINPresswire.com/ --

WiseGuyReports.Com Publish a New Market Research Report On - "[Pesticide Administration in China](#) Market 2017 –SWOT Analysis, Emerging Market Strategies & Industry Overview".

This report is about the analysis of the new Regulations on Pesticide Administration in China. On 1 April, 2017, the new Regulations on Pesticide Administration were released and will come into force on 1 June, 2017, which differ a lot from the old ones and were the strictest regulations on pesticides yet. It reflects the government's determination to further regulate the pesticide market, and will help to curb illegal activities in the pesticide market from registration to production and from operation to application, so as to better protect the interests of the producers and dealers.

Since 1 June, 2017, the number of pesticide registrations may decrease because of the cancellation of temporary registration. And the Chinese government encourages the development of new pesticides, which will lead to an increase of registrations on new active ingredients and types of pesticide formulations. What's more, the new Regulations on Pesticide Administration attach more importance to pesticide safety, enhance supervision and management on the government, pesticide producers, dealers and users, encourage pesticide producers to manage their production reasonably, guide formulation producers towards more professional and intensive development and urge dealers to improve their operating performances and management ideas.

In this report, the analysis of the new Regulations on Pesticide Administration includes the following parts:

- Contrasts between the old and new versions of the Regulations on Pesticide Administration
- The influences of the new Regulations on Pesticide Administration
- The influence of the new Regulations on Pesticide Administration on registration
- The influence of the new Regulations on Pesticide Administration on producers
- The influence of the new Regulations on Pesticide Administration on dealers
- The influence of the new Regulations on Pesticide Administration on foreign enterprises
- The influence of the new Regulations on Pesticide Administration on pesticide safety
- Comments on the new Regulations on Pesticide Administration by Jiangsu Plant Protection Institute
