

# A & L Fashion London Award Event 2017

*A&L Fashion from London UK New Designs & Manufacturer Releases A Brand New Fashion Range to Help People With MS (Multiple Sclerosis)*

REGENTS PARK, LONDON , UK,  
September 12, 2017 /EINPresswire.com/  
-- A&L Fashion of London will be launching their Brand New Range, to Support Children & Adults to live well with MS or Multiple Sclerosis) On November the 9th 2017 in, Kensington, London.

The evening event will share A&L's Autumn, Winter & Spring bespoke handmade fashion, bags, purses & handbags designed by Kaz Aston & Philip Lester. The fashion range manufactured in luxurious fabrics in East London by the A&L Team.

Access to free online Education & Charity Support about MS is a great Edition Chairman Philip Lester of A&L Fashion London shares "working with a fellow rotary London member to support business and education about MS is really important and appreciated by people diagnosed or living with MS to also enable work or engagement in community social events".

“

#SupercarGB 2017 event was superb especially, when two ladies drove an amazing and very powerful Audi R8, V10 Spider car that continuously gave top performance, times and great comfort on Dolomites.”

Kaz Aston

As part of the 2017 public engagement events for A&L Fashion they have Partnered with global education charity, Monarchyonline.org, who help thousands of people learn more about today's Monarchy and have launched a brand new, Super Car, all Female driving team and daily online SuperCar magazine, as the charity also recognises the amazing contributions made by the Super Car industry and females today for the good of the people to promote education. Following various [www.monarchyonline.org](http://www.monarchyonline.org) educational events from January to August 2017, aimed at helping the public learn more about the monarchy, the charity are now proud to share that the girls team successfully drove

the full [#SupercarGB](https://www.instagram.com/supercargb) 2017 Route Dolomites drive.

The #SupercarGB 2017 event was superb especially, when two ladies drove an amazing and very powerful Audi R8, V10 Spider car that continuously gave top performance times and great comfort over the Dolomites challenging roads. However, the primary purpose for the two female drivers was to

raise awareness for people living with MS or Multiple Sclerosis and those recovering, after a stroke, that are both neurological care needs.

Team member Kaz Aston also, has MS & sadly her mother recently had a stroke. Important also, as a stroke occurs around 152 Thousand Times a year, that is one stroke every three minutes and 27 seconds in the UK.

As a result A&L Fashion of London are really supporting the new all girls team and perfectly placed to also support UK charities that already are helping with the local communities to raise donations to improve access to help for the longer term with MS and emergency care after a stroke.

Future Super Car events are being planned for 2017/8 so. if you have any ideas and want to work together please contact Kaz Aston on UK (+44) 07768904878 or email via our various websites and social media channels.
