

# InSite Solutions is Traveling to an Industry Trade Show near you

---

*See new products, application demonstrations and get expert advice and solutions for visual organization*

WAKE FOREST, NC, USA, September 12, 2017 /EINPresswire.com/ -- InSite Solutions, LLC., (dba Stop-Painting.com) is hitting the road this fall to show-off their products up close and personal. "We hope to meet new clients and prove we have solutions for those looking for visual cues to make a worksite visually organized," said InSite Solutions Director, Cliff Lowe. InSite Solutions will be at the following conferences and tradeshows with product samples and solutions, designed to make your business safer and more productive.

Manufacturing Conference in Winston-Salem, N.C.—Sept. 19-20

mfgCON is North Carolina's premiere conference for manufacturing and innovation, powered by Business North Carolina magazine and the North Carolina Manufacturing Extension Partnership.

Manufacturers from across North Carolina will converge in Winston-Salem at the Benton Convention Center to share best practices, practical advice, and helpful tips for creating a safer, more efficient and more profitable manufacturing sector. InSite Solutions will be there to show attendants how their products can be valuable tools in Lean, 5S and visual organization-centered facilities.

Process Expo in Chicago—Sept. 19-22

PROCESS EXPO is one of the largest trade shows in the U.S. and it's dedicated to bringing the latest technology and integrated solutions to all segments of the food and beverage industry.

Processors/attendants gain a competitive advantage with the innovative technology on the show floor, where food processing and packaging experts demonstrate their machines and products. InSite Solutions will be at booth #4809 to offer tips and advice on visual organization in warehouse and manufacturing facilities as well as their specialized products for food warehouses and cold storage facilities. Both veterans and those new to food and beverage processing get training on food safety, trends, leadership, and more.

Look for Stop-Painting at Booth 4809. If you want to meet with Stop-Painting at the show, they offer a free entry ticket for the Process Expo -- [go online here](#), use comp code 95375, and you're all set.

PACK Expo in Las Vega—Sept. 25-27

Sustainability, efficiency and product safety are among the top issues to be addressed with the latest packaging technology at PACK Expo. Co-located with the Healthcare Packaging EXPO, the event is expected to host 30,000 attendees, including 5,000 international visitors from more than 125

countries, and 2,000-plus exhibiting companies that will span nearly 900,000 net-square-feet of a sold-out exhibition floor. In addition to the technology on display on the show floor, PACK EXPO Las Vegas will offer a host of educational and networking opportunities, as well as industry specific events.

Stop-Painting will be at Booth 8462. If you want to attend the show and meet with Stop-Painting consultants at the show, they'll pay your registration fee. You can [register online here](#), and use comp code 21R79. Stop-Painting's booth will be THE place to find information about all things visual organization, floor marking products and more. If you want more information about meeting up at the PACK Expo, email Stop-Painting's Al Barker at [al@stop-painting.com](mailto:al@stop-painting.com).

VMA Virginia Environmental Health and Safety Conference in Richmond, Va.—Sept. 28-29

The VMA Virginia Environmental Health & Safety (VEHS) Conference provides attendees an opportunity to learn from and network with industry's environmental leaders, regulators and legislators. The event will be held at the Westin in Richmond, Va. A few highlights scheduled for the event include a discussion of the Virginia DEQ Regulatory Briefing, a panel discussion on Coal Ash Impoundment Regulations and a keynote speech from EPA Administrator Scott Pruitt.

InSite Solutions hopes to meet with new clients to discuss visual organization needs. If you need more information on how to find InSite Solutions at the event, contact Stop-Painting's JG Nutsch at [jg@stop-painting.com](mailto:jg@stop-painting.com).

South-Tec in Greenville, S.C.—October 24-26

SOUTH-TEC draws manufacturing suppliers, distributors and equipment builders from across North America and around the world – bringing them together in Greenville, South Carolina. The event is held at TD Convention Center. With hundreds of exhibiting companies, attendees can find all the latest technologies and services – plus the experts who build them – ready to demonstrate solutions that can help them grow their business. Visitors can make side-by-side comparisons, discover integrated equipment, hear about industry trends and forecasts, and leverage their purchasing power. InSite Solutions/Stop-Painting will be at Booth 232. If you'd like to schedule a meeting at the show, email Stop-Painting's JG Nutsch at [jg@stop-painting.com](mailto:jg@stop-painting.com) and he can get you in for free.
