Diva Glammias, stars Queen Turner, Diane Dotts, Rhonda Robinson, Carol Creekmore, Diana Puskas, and Elizabeth Camilo. The majority of these women used to be Soul Train Dancers in the early 70's and are now living life to its fullest; dating, traveling, cooking and staying young.

Queen Turner AKA Grand Diva came up with the idea for this wonderful TV series to restore confidence in older women who have adopted the general belief that life ends at 40 for a woman. She knew that she had to get her show to Punch TV Studios. In the process of enjoying her tenth marriage, Queen refuses to relent on having fun and living a highly unconventional life just because some grandmothers are more interested in walking their dogs than finding a man. She takes great pride in proving that sex doesn't end at 60.

“

When I first saw the Diva Glammias together I knew we had a hit show.”

CEO Joseph Collins

“When I first saw all of the Diva Glammias together I knew we had a hit show,” Punch TV Studios CEO Joseph Collins stated. “It's not often that you find a group of older women who are willing to be so open and honest about their lives,

their experiences and especially their sex lives. For many seniors sex is a taboo topic, but not these ladies. They give you the real unadulterated truth based on decades upon decades of experience. Viewers are definitely going to want to tune in to Diva Glammias which is only available on Punch TV.”

Punch TV Studios investors are also excited about Diva Glammias. The new reality show is one of the first television shows produced during IPO 2.0. The new show also encourages supporters to
