

Alternative Medicine Retailer in Colorado Wins Award in Leafly's Best Cannabis Locations in North America

Solace Meds would end up receiving an award by Leafly, one of the largest cannabis websites in the world with over 10 million monthly views

FORT COLLINS, COLORADO, UNITED STATES, September 14, 2017 /EINPresswire.com/ -- Alternative Medicine Retailer in Colorado Wins Award in Leafly's Best Cannabis Locations in North America

Solace Meds would end up winning an award as one of the best Colorado dispensaries based on customer feedback.

FORT COLLINS, CO, September 14th, 2017. Cannabis enthusiasts will be delighted to hear that Solace Meds would end up receiving an award by Leafly, one of the largest cannabis websites in the world with over 10 million monthly views, in their summer 2017 edition of the Leafly List's best cannabis retailers across North America.

Updated every quarter, the Leafly List strives to find the best dispensaries for both recreational and medical use, determined by using an indexing system that ranks locations across a variety of customer engagement metrics like reviews of the quality of the product, customer service, and overall atmosphere. Listed as number 19 in the entire state, and only one of two dispensaries that were given an award in the Fort Collins area, Solace Meds was highly received by customers and reviewers. Described as having "the [best selection](#) of concentrates I've seen," the Fort Collins location enjoys a 4.9-star rating according to 119 reviews. One anonymous customer would go on to say this was the premier location in Fort Collins for cannabis with great deals and an extremely friendly staff that went out of their way to help their customers.

Solace Meds boasts an extremely large selection of [cannabis strains](#), edibles, concentrates, vaporizers, topical ointments tablets, drinks, tinctures, amongst other products in their inventory. Selling seeds on their recreational side and clones on the medical side, they feature a lengthy list of regular to some quite exotic strains to choose from. All of their strains are cultivated and tested for maximum potency at Gobi Labs, a well-respected cannabis testing company with over 30 years of experience in the industry.

Solace Meds also offers a [membership program](#) with daily specials for each day of the week as well as month long promotions – a part of their policy to pass as many savings as possible onto their customers. Various coupons are listed on their website in the form of daily special offers that are constantly changing, and a loyalty program is in place that allows customers to accumulate a percentage of their purchases back as a store credit. Their inventory also features an extensive list of edibles as well, including gummies, tablets, brownies, sodas, chocolate bars, clover honey, and many other secondary products that would be appreciated by the sincere cannabis enthusiast.

With two locations, one in the Fort Collins area and another in Wheat Ridge, and both open from 9

am and closing between 7-8 pm depending on which day, Solace meds remains one of the top cannabis and alternative medicine retailers in the state. For pre-existing fans of the establishment, this should come to no surprise.
