ComforceHealth is Exhibiting at AHIMA's Annual Convention

ATLANTA, GEORGIA, UNITED STATES, October 2, 2017 /EINPresswire.com/ -- ComforceHealth will be exhibiting at the American Health Information Management Association's (AHIMA) Annual Convention. The event will be held at the Convention Center in Los Angeles, California.

The healthcare industry is balancing the need to provide quality care while reducing costs and managing population health. To do this effectively, healthcare organizations are becoming more reliant on the optimal gathering, analysis, and use of health information. The 89th AHIMA Convention and Exhibit, held at the Los Angeles Convention Center, will explore the many ways health information professionals must inspire, innovate, and lead their organizations into the future of health data analytics, informatics, and information governance.

"ComforceHealth is excited to participate as an exhibitor at this year's 89th annual AHIMA conference and interact with the nation's most innovative and passionate HIM leaders," said Melissa Johnson, ComforceHealth Vice President of Business Development. "As healthcare shifts toward value-based reimbursement and a heightened focus on population health, ComforceHealth's industry-leading experts are here to offer the information and expertise needed to help move organizations forward."

The theme of this year's convention is "Inspire, Innovate, Lead." Visit ComforceHealth industry experts at Booth #400 from October 7 – 11, 2017.

About ComforceHealth

ComforceHealth, a part of the ACS Group, provides business services to hospitals and healthcare systems throughout the United States. We drive innovation and create value for clients by providing health information management services that include medical coding, audit, clinical documentation, leadership, and education.
