

# New York Mesothelioma Victims Center Now Urges a Power Plant Worker In New York with Mesothelioma to Call Them for Solid Advice About the Best Lawyers to Assist with Financial Compensation

NEW YORK, NEW YORK, USA, October 26, 2017 /EINPresswire.com/ -- The New York Mesothelioma Victims Center says, "We specialize in doing everything possible to ensure a power plant or energy worker anywhere in New York State with mesothelioma receives the very best possible financial compensation. The reason we have placed such a huge emphasis on power plant workers with mesothelioma in New York is because they should get the best possible financial compensation-provided they hire the nation's top mesothelioma attorneys to assist with the compensation claims process.

"As we would like to discuss anytime at 800-714-0303 if you aim low when it comes to hiring the most qualified and skilled full time mesothelioma attorneys in the nation you probably will not end up with the best possible financial compensation for this rare cancer caused by asbestos exposure. This is especially true if we are talking about a power plant or energy worker in New York with mesothelioma-who wants results. We also need to mention the mesothelioma attorneys we suggest are based in New York City." <http://NewYork.MesotheliomaVictimsCenter.Com>

Energy Production Information New York State

\* New York obtained 24% of its electricity from renewable sources in 2016; the state's Reforming the Energy Vision plan aims to raise the renewable contribution to 50% by 2030.

\* The 2.4-gigawatt Robert Moses Niagara hydroelectric power plant is the fourth-largest hydroelectric power plant in the United States. In 2016, New York produced more hydroelectric power than any other state east of the Rocky Mountains.

\* Nearly half of New York's electricity-generating units can burn either fuel oil or natural gas, and state regulators require them to be ready to switch to fuel oil if the natural gas supply is constrained.

\* To curb air pollution, in 2012 New York became the first northeastern state to require that all heating oil be ultra-low sulfur diesel.

Vital Hiring a Lawyer Tip for a Power or Energy Worker in New York with Mesothelioma from the New York Mesothelioma Victims Center: "Please avoid Internet ads that suggest they are a federally sponsored mesothelioma claims center or that no lawsuit is needed to get compensated for mesothelioma. Before you hire a lawyer/law firm to assist with mesothelioma compensation please call us at 800-714-0303 to ensure you are talking directly with the nation's most skilled and capable mesothelioma attorneys who are also based in New York City."

*New York Mesothelioma  
Victims Center*

The New York Mesothelioma Victims Center specializes in financial compensation for diagnosed victims of mesothelioma. High-risk work groups for exposure to asbestos in New York include US Navy Veterans, power plant workers, maritime workers, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, miners, railroad workers or construction workers. Typically the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.<http://NewYork.MesotheliomaVictimsCenter.Com>

The states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon. However, based on the calls the Mesothelioma Victims Center receives a diagnosed victim of mesothelioma could live in any state including New York. <http://NewYork.MesotheliomaVictimsCenter.Com>
