

Academy Face and Body – Exemplary Plastic Surgery

Academy Face and Body, led by renowned plastic and cosmetic surgeon Dr Jayson Ooates continue to expand the range of treatments available.

PERTH, WESTERN AUSTRALIA, AUSTRALIA, October 9, 2017 /EINPresswire.com/ -- Academy Face & Body, located in Perth are world class providers of a range of cosmetic and lifestyle medical procedures. These include cosmetic surgery, dermal therapies, aesthetic anti-aging medicine, and laser treatments. Priding themselves on offering only the highest standards of patient care, Academy Face & Body use industry standard approved techniques to deliver natural looking results for their patients. With the ethos of 'confidence is your greatest asset when it comes to beauty' Academy Face and Body provide a comprehensive range of surgical and non surgical treatments to maximise your confidence and your beauty. Skin imperfections and other issues may come with aging but that doesn't mean that you need to live with them. Academy Face and Body will help you to make the best decisions to choose the correct treatment for your body.

Academy Face and Body's extensive range of facial and cosmetic surgery and non surgical treatments puts choice back in the hands of patients, guided by their expert team of physicians and nurses, overseen by Medical Director Dr. Jayson Oates - a leader in the field of cosmetic surgery and cosmetic medical procedures. Following his initial Bachelor and Medicine and Bachelor of Surgery (Sydney, 1990), Dr. Oates trained extensively in the field of Otolaryngology Head and Neck Surgery, and cosmetic and plastic surgery with leading experts in both Europe and the USA. Joining the Australasian Academy of Facial and Plastic Surgery in 1995, he then served as it's president for a number of years starting in 2005 – recognition of his professional standing amongst his peers. Academy Face and Body is the first government licensed twilight sedation day hospital in Perth.

The range of cosmetic surgical procedures offered by Academy Face and Body includes facelifts and mini facelifts, nose jobs – or rhinoplasty - and chin and cheek implants. They will soon be expanding the range of advanced medical and cosmetic plastic surgical treatments to include breast implants and tummy tucks. For patients considering a face lift, but not sure if the time is right for surgery, thread lifting provides a non surgical alternative. Academy face and Body are expert providers of laser treatments for a range of conditions. These include tattoo removal, snore stop and Mona Lisa Touch; a woman's intimate procedure that uses hundreds of tiny pillars of laser energy, delivered quickly and effectively to stimulate natural regeneration of vaginal tissue.

Additional intimate procedures for women offered by Academy Face and Body include Labiaplasty (the reshaping or reducing of the labia minora) and vaginal rejuvenation – a cosmetic vaginal tightening surgical procedure which is carried out under twilight sedation and local anesthetic. Body shaping procedures on offer include liposuction and Zeltiq Coolsculpting. This non invasive treatment spot targets specific areas of fat on the body that may have proven to be resistant to other methods of fat reduction and uses a non invasive applicator to cool specific areas. Fat cells which have been exposed to the cooling process are then expelled naturally from the body. Academy Face and Body also offer a range of injectable treatments, including wrinkle relaxers and dermal fillers.

Academy Face and Body's is partnered with [Academy Laser Clinics](#) and [CALIBRE Clinic](#) which can

be found in Perth and Sydney. CALIBRE Clinic are Australia's leading provider of male enhancement procedures, offering a non surgical treatment using dermal fillers that delivers proven results for penile augmentation without the need for surgery. At all three clinics, you can be sure of world class treatments, delivered by practitioners who are leaders in their field and excellent patient care. For full details of the treatments offered by Academy Face and Body, and pricing can be found on their website <http://www.academyfaceandbody.com.au/>
