

Health Beyond Insurance Expands Reach in New Collaboration

Health Beyond Insurance (HBI) Joining Forces with Tantam Health

GLENVIEW, ILLINOIS, UNITED STATES, October 17, 2017 /EINPresswire.com/ -- [Health Beyond Insurance \(HBI\)](#) and [Tantam Health](#) have announced a collaboration that will offer Tantam Health, a national employee healthcare solutions provider, exclusive access to Health Beyond Insurance's (HBI) national provider network.

Since 2015, Health Beyond Insurance (HBI) has connected health care providers in many different specialties to self-pay patients. These provider specialties include primary care, occupational health, psychology, cardiology, MRI, dentistry, immediate care, gastroenterology, and many more.

Tantam Health is a national provider of employee healthcare solutions. Tantam Health's services include worksite clinics, occupational health clinics, occupational health management services, chronic condition management and more.

“

HBI is known for their strength in provider networks. We believe this collaboration will provide us an access to a national network of healthcare providers in most, if not all specialties.”

Jamie Ozga, Chief Process Officer of Tantam Health, Inc.

Health Beyond Insurance (HBI) is now bringing its continuously growing network of healthcare providers to Tantam Health through a partnership that will allow Tantam Health clients and their employees' access to a provider network in many specialties.

“HBI is known for their strength in provider networks and price transparency for patients. We believe this collaboration will provide us valuable access to a national network of

healthcare providers in most, if not all, specialties,” said Jamie Ozga, Chief Process Officer of Tantam Health, Inc.
